Coach XXXXX;

My name is John Smith, and I am a senior goalkeeper at Awesome High School in Small town, Connecticut. My school encompasses approximately 500 students, most of whom do not play soccer year round yet we are able to compete with schools 5 times our size.

I am 6'3" and had 26 saves per game finishing with 298 saves this past season and also assisted on two goals (due to my ability to punt almost to the opponent's penalty box on a consistent basis). I have worked very hard on my distribution and my throws are near midfield as well. I am responsible for goal kicks which generally reach my targets feet around the midfield line.

I have started at goalkeeper at Small Town since my sophomore year and have also played up a couple of age groups the past two years with the NEU U-19 team (which was ranked # 12 in the state of Connecticut this past spring). I was also named captain on that squad.

At Small Town I have received a variety of awards, which include the following:

- Preseason All-Tournament Team (3 straight years)
- All-County Honorable Mention (Sophomore year)
- All-Conference Team (Sophomore year)
- All-County First Team (Junior Year)
- All-Conference First Team (Junior year)
- News "Player to Watch" (Senior Year)
- News First Team All - County (Senior Year)

The local newspaper had some pretty good coverage on one of my games against a much larger school:
